

Dementia Education Series

a 4 part on-line learning series for
care partners & friends of persons living with dementia

By attending this series, participants will:

- examine reliable and relevant information about dementia
- understand the physical & emotional changes associated with dementia
- become familiarized with tools to create a framework for resiliency as a care partner
- become informed of community resources to help support you in your role as a care partner

Dates: Thursdays
January 6th, 13th, 20th and 27th, 2022

Time: 1:30pm– 3:30pm

Location: this program is being offered through Zoom
(if you would like learning assistance with Zoom, please call us)
